EDUCATION

Rajarshi Shahu Mahavidyalaya, Latur (Autonomous)	Graduating 2027
BSc.Computer Science	
Ramkrishna Paramhansa Mahavidyalaya, Dharashiv	Completed 2024
Senior Secondary	

PROJECTS

- Mohini AI Chatbot | Java, NLP, API Integration, JavaFX/Swing** [Github](#)
- Developed MOHINI AI, a Java-based chatbot with Swing GUI and real-time conversational interface.
 - Integrated API support, natural language interaction, and conversation memory for smarter responses.
 - Added text-to-speech, animated chat UI, and message history to improve usability and engagement.
- IDz OS | C#, .NET, Windows Forms, System Design** [Github](#)
- Developed a custom desktop OS-like environment with structured UI components and system-style navigation.
 - Implemented application management, interactive panels, and responsive user interaction features.
 - Designed a modular architecture to simulate core operating system functionality and workflow.
- Playfair Cipher Encryption System | C++, Algorithm Design** [Github](#)
- Developed a Playfair cipher-based encryption and decryption system using matrix-based cryptographic techniques.
 - Implemented key matrix generation, plaintext preprocessing, and secure text transformation algorithms.
 - Designed a console-based C++ application demonstrating classical encryption methods and secure data handling.

TECHNICAL SKILLS

Programming Languages : C, Cpp, Java, C#

Database & Backend Technologies : RESTful APIs, API Integration, JSON, SQL, PL/SQL

Tools & Platforms : Docker, Git/GitHub, VS Code, MATLAB

Soft Skills : Collaboration, Leadership, Effective Communication, Time Management

Relevant Coursework : OOPS, Data Structures & Algorithms, Operating Systems, DBMS

CERTIFICATION & ACHIEVEMENTS

- Solved 100+ DSA problems on LeetCode enhancing analytical and coding skills.
- Published and maintained technical projects on GitHub.
- Discrete Mathematics for AI/ML - Infosys Springboardd
- Basics of Python Programming - Infosys Springboard

INTEREST

- Reading Books
- Playing Badminton
- Wildlife Observation

Languages

- Marathi
- Hindi
- English
