EDUCATION

Rajashi Shahu Mahavidyalaya, Latur (Autonomous)

Graduating 2027

Bachelor of Science in Computer Science

Ramkrishna Paramhansa Mahavidyalaya, Dharashiv

Completed 2022

Higher Secondary

PROJECTS

Mohini AI Chatbot | Java, NLP, API Integration, JavaFX/Swing)

🌐 [Github](#)

- Built an AI-powered desktop assistant using Java and OpenRouter APIs, enabling context-aware conversations and intelligent task automation..
- Integrated GPT-4o models with REST APIs to support multimodal interactions, including PDF, Word, image, and voice processing.
- Engineered a modular Java architecture with encrypted local storage, modern FlatLaf UI, and extensible AI-powered productivity tools.

IdzPad Lightweight Code Editor | C#, WinForms, Compiler Integration

🌐 [Github](#)

- Developed a lightweight C# code editor with syntax highlighting, file management, and a modern WinForms-based user interface.
- Integrated code compilation and execution capabilities, enabling users to write, run, and test programs within a unified environment.
- Implemented productivity-focused editing features and optimized UI responsiveness to deliver a fast and efficient coding experience.

RailEase – Railway Information System | C#, REST APIs

🌐 [Github](#)

- Engineered a desktop railway information system by integrating real-time APIs for train search, PNR enquiry, live status, and seat availability.
- Designed a modular WinForms architecture to streamline data retrieval, route management, and user interactions across multiple railway services.
- Implemented robust API handling and data processing mechanisms to ensure accurate responses and a seamless user experience.

TECHNICAL SKILLS

Programming Languages : C++, C#, Java, Python

Frameworks & Backend Technologies : .NET Framework, REST APIs, SQL

Tools & Platform : Docker, Git/GitHub, Postman, VS Code, Numpy, Pandas, Matplotlib

Soft Skills : Collaboration, Leadership, Effective Communication, Time Management

Relevant Coursework : OOPS, DSA, Computer Networks, Operating Systems, DBMS

ACHIEVEMENTS & HIGHLIGHTS

- Solved 100+ DSA problems on LeetCode and, enhancing analytical and coding skills.
- Published and maintained technical projects, Open Source Contributor | GitHub
- Data Science and AI/ML - Appna College
- Basics of Python Programming - Infosys Springboard

CORE COMPETENCIES

- AI Powered Application Development
- Full Stack & Desktop Application Development
- REST API & Backend Integration
- Software Architecture & System Design
- Analytical Problem solving

INTERESTS

- Reading Books
- Exploring Emerging Technologies
- Competitive Programming

LANGUAGES

- Marathi
- Hindi
- English
